Treaty Acknowledgement

We acknowledge that we are on the traditional lands, referred to as Treaty 6 Territory and the homeland of Métis Region #4. This land is home to many diverse groups of Indigenous peoples, including the Cree, Dene, Blackfoot, Sauteaux, Nakota Sioux, Inuit, and Métis. We also acknowledge that the City of Edmonton and all the people here are beneficiaries of Treaty No. 6, which encompasses the traditional territories of numerous western Canadian First Nations and the Métis people who have called these lands home since time immemorial. NorQuest acknowledges the treaty, the land and the territories of Indigenous peoples as a reminder of:

Our responsibility and obligations to the land and to Indigenous peoples,

Our accountability to addressing the ongoing impacts of colonization that are distinct to Indigenous peoples and communities,

To work together in remembering the spirit and intent of the Treaty towards right relations.

In her work with under-served populations of patients with complex care needs, frail older people, and caregivers, she has worked tirelessly to muster collaboration towards a more inclusive and compassionate healthcare system that respects the dignity and well-being of all its members. She recognized the need for interdisciplinary staff education in caring for the elderly and has been immersed in their training throughout her career.

Her most significant transformational work has been galvanizing the healthcare system to support family caregivers and bringing together key stakeholders in the process. This collaborative initiative has gathered tremendous momentum, with stakeholders working together across the continuum of care, across health and social sectors, across Alberta and Canada, to bring family caregivers out of the shadows, recognize them, and work towards supporting them.

Dr. Parmar's body of work is exemplary of NorQuest's purpose in everything that she does, asking: "How will this change lives for the better?"

“O Canada”

O Canada! Our home and native land!
True patriot love in all of us command.
With glowing hearts we see thee rise,
The true north strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land, glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

About NorQuest College

From modest beginnings as the Alberta Vocational Centre in 1965, NorQuest College has grown to become a significant player in Alberta's post-secondary landscape. NorQuest serves 14,439 full-time and part-time credit students and 8,580 non-credit or continuing education students. We offer 42 post-secondary career credentials and 8 foundational programs. Our mission to transform lives continues to guide us in our role as the Edmonton region's largest community college.

With the strength of a NorQuest College education, our learners have the skills and confidence to further their studies, begin new careers, provide better lives for their families, and make valuable contributions to society. Our outstanding growth over the decades reflects who we are: a community college with international reach. Our incredibly diverse student population (more than 50 percent are born outside of Canada) reflects our global interest in intercultural training, research, and health programs.

With a combination of people, technology, and core values, NorQuest empowers students, employees, industry, and community partners to create workforce-relevant education and next-generation solutions supporting social and economic development.

As NorQuest evolves, our goal remains the same: to transform the lives of thousands of students, employees, and community partners through the power of education.

Welcome New Alumni

When you complete a program at NorQuest, you automatically become part of the alumni community and gain access to exciting benefits.

You accomplished an incredible milestone. And to help you transition from school to your career, NorQuest is still here to support you.

While this is an exciting time filled with possibilities, it can also feel overwhelming. From applying for jobs to navigating your finances, life after graduation isn't always a straight road.

Through NorQuest's partnerships, you gain access to:

- Free career support for up to six months after graduation
- Reduced rates on TD Insurance and TELUS packages
- Discounts at City of Edmonton recreation facilities
- Immigration student advising

You can also connect with other NorQuest alumni through our social media community and newsletter. To learn more about exclusive benefits and ways to stay connected, visit norquest.ca/alumni.

Congratulations on all your academic achievements. We can't wait to hear about your career success!
